

ACORN FOUNDATION BEVERLY PERSZYK SCHOLARSHIP

The **Acorn Foundation**, formed in 2003, is a charitable trust created by and for the people of Tauranga and Western Bay of Plenty community. The principal goal of the Acorn Foundation is to encourage locals to consider leaving a gift in their will and/or during their lifetime to benefit the local community, forever.

The **Acorn Foundation Beverly Perszyk Scholarship** was established in 2020. Beverly Perszyk was born and raised in the United States during the Great Depression. She was the only one of eight siblings not to attend a tertiary institution. She chose instead to start a good job at City Hall on the Monday following her last day at school. While she said she never wanted to go to university, despite family pressure to do so, she often spoke of the transformative effects tertiary education can have. And so, Beverly would have been delighted to support first-in-family students pursuing university education.

Purpose

The Acorn Foundation Beverly Perszyk Scholarship aims to financially assist students who are the first in their family to undertake full-time undergraduate study at the University of Waikato Tauranga Campus.

Priority will be given to those who are achieving academic success, while personal challenges/hardships may also be taken into consideration.
