

Te Paewai o te Rangi: The University of Waikato Scholarship for Outstanding Academic Achievement was established in 2017 to support the University's Vision of achieving excellence, distinctiveness and international connectedness. Te Paewai o te Rangi can be translated to mean the water horizon. It is the place where the ocean meets the sky, and where the sun sets and rises every day. This is the transition point where Tāne traveled on his quest to ascend into the heavens and to suspend the stars in the sky. Metaphorically, Te Paewai o te Rangi describes a person's journey to achieve excellence. It is the pathway to the stars; an unending pursuit to reach the pinnacle of your desires which in the case of this Scholarship is education and knowledge. Te Paewai o te Rangi is also a pathway where the terrestrial becomes the celestial and people move on to a higher state of being and understanding. It is a point where change occurs and people push the boundaries and go beyond the norm. It is fitting therefore that this Scholarship provides a platform for outstanding students to strive for excellence in a programme of study at the University of Waikato and to reach the stars.

The University of Waikato normally awards up to 120 Scholarships each year based on academic excellence, leadership potential, and community citizenship.
